

# Investing for Success

**Under this agreement for 2022  
Norfolk Village State School will receive**

**\$323,644\***

## This funding will be used to

- Ensure that a minimum of 50% of students achieve a minimum standard of a 'B' in English
- Ensure that 90% of students achieve a 'C' or above in English
- Ensure that as a school we commit to providing students a life of choice, not chance

## Our initiatives include

- Developing staff capacity in the development of student learning goals and learning walls to help students monitor their own performance (Sharratt, L. (2019) *Clarity – What Matters Most in Learning, Teaching and Leading*).
- Participation in Leading Learning Collaborative project with Lyn Sharratt.
- Providing coaching and support to implement explicit instruction practices across the school.
- Engaging with research bases to enhance teacher understanding of the teaching of writing (Hochman, J & Wexler, N (2017) *The Writing Revolution – A Guide to Advancing thinking through Writing in all subjects and grades*), Black, C & Hipwell, P (2014) *How to write what you want to say in the Primary years*
- Supplementing teacher allocation to support Professional Learning Team release time
- Improving teachers' capacity in the teaching of Reading, Spelling, Grammar and Punctuation, and Writing to support improved student outcomes in all Key Learning Areas

## Our school will improve student outcomes by

Employment of two Curriculum and Pedagogy Coaches (HOD-C – 2.0 FTE)	\$295 000
Release costs and resources to support the the teaching of writing	\$20 000
Purchase of additional Speech Language Pathology Service (0.1 FTE)	\$8 644
